

Could This Happen To You?

If you are a Helicopter pilot or fixed wing pilot, you don't want to miss this open discussion with Mark Hohstadt, DPE, ATP, CFII about past errors, questionable judgment, and blind luck living his dream as a helicopter pilot. As a new pilot, you are given two buckets. One is labeled "LUCK" and it's full. The other is labeled "EXPERIENCE" and it's empty. The trick to longevity is you want to fill the bucket of EXPERIENCE before your bucket of LUCK runs out. M. Hohstadt. After the Seminar Jerry Trimble Helicopters will host "Movie Night". The Aviation movie will be "Memphis Belle". They will serve popcorn, hot dogs and soda pop with tons of fun!

Directions: If coming from the east on 99W, take the exit to highway 18 and follow to the Airport on your left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
